INTRODUCTION

Natura is a two-generation family business that produces ecological cotton products.

For the last two decades our offer has gradually grown, and we are proud to say that today it includes several dozen products made of 100% natural and dyed cotton. Our products take on a range of shapes, sizes and colours. Whether you are looking for cotton tote bags, pouches, beach bags, zip bags, aprons, backpacks, tea towels, wedding favours or sailor bags, Natura is the place to contact.

Our company is located in a beautiful old city called Slupsk, in the northern part of Poland, Pomerania. The company employs about 50 people and have a modern machine park, where we can cut, sew and print on fabrics. Natura is constantly developing, striving for perfection and making every effort to ensure that our products remain top of the class and are enjoyed by the users. From the very beginning we have gained new customers by offering competitive prices, outstanding quality of our work, short lead time and the flexibility of the offer. To this day, these are our strongest assets. We welcome you to check our offer.

If you cannot find the product you are looking for in our catalogue, please get in touch with our sales team at sales@natura.eco All our products are made according to clients specification and we are sure our sales specialists will be able to support you with your order.

2. COTTON DRAWSTRING BAGS

Rustic Drawstring Bag

Rustic drawstring bag is a great way of wrapping and storing any products, from cosmetics to fruits and vegetables. The fabrics we use are 100% cotton and are thick enough to prevent see through. They are reusable and washable and are OEKO-TEX and GOTS certified.

This model has a rustic feel thanks to the retro looking collar and the cotton strings on both sides of the bag.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations on the last page of this section.

Drawstring Bag Margot

This bag does not have a collar, hem is finished with overlock, and the string is sewn to the side of the bag- thus it allows you to tie the string around the bag by yourself. Drawstring Bag Margot is perfect if you are looking for the shabby chic or rustic look and works perfectly as a bag for wedding favours.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations on the last page of this section.

Drawstring Bag Clara

Drawstring bag Clara is a model without a collar and strings. The opening of the bag is finished with circa 1 cm pleat which makes it more elegant and just asks to roll it down. Clara looks incredible as a flowerpot cover and is popular among our clients that sell spices.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations below.

Drawstring Bag Grovitana

The only difference between Drawstring bag Clara and Grovitana is that Grovitana hem is finished with overlock stitching rather than with a pleat.

Grovitana works well as a storage bag for spices, nuts, fruits and vegetables or a unique flowerpot cover.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations below.

Drawstring Bag Amica Type I

Amica Type I is a drawstring bag without a collar. The strings on both sides go through a 2cm tunnel just at the edge of the bag opening.

Perfect drawstring bag for wrapping exclusive jewelry and premium products.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations below.

Drawstring Bag Amica Type II

Amica II differs slightly from the Amica I, as the string is only on one side.

Both of Amica types work well as a packaging for literally any product starting from fruits and vegetables, organic products, jewelry, screws, shoes, bedding and finishing at sports, beauty and automotive equipment.

We offer a wide range of drawstring bags sizes. Please see the sizes and our usage recommendations below.

One size does not fill all - drawstring bag size recommendations:

8 x 12 cm - cotton drawstring bag perfect for tiny items.

10x 15 cm - perfect as a wedding favour or jewelry.

20 x 25 cm - universal size, great for wrapping baby products, cosmetics, etc.

30 x 45 cm - fantastic bag for storing and selling bakery good, fruits and vegetables.

40 x 50 cm - perfect for packaging clothing.

50 x 75 cm - works best in the hotel or a laundry industry.

68 x 112 cm – great large sack for storing sports or automotive equipment, linen, or duvets.
